THE Cumberland School of Law insignia represents a long and distinguished heritage. The design is built around the ancient symbol of Justice. Two seals side-by-side signify the present day relationship with Samford University. The Latin motto beneath the shield expresses an unending determination to strive ever upward.

An early chapter of the Lebanon era is recalled by a Phoenix poised atop the shield. This bird of ancient myth is a symbol of Cumberland's first rebirth and rise to greatness after its buildings were put to the torch during the Civil War.

Thus, at a glance, one gains a sense of Cumberland's traditions—traditions that have found resurgent qualities on Alabama soil.

General Information

HISTORY OF THE CUMBERLAND SCHOOL OF LAW

The Cumberland Law School was established in 1847 as a part of Cumberland University in Lebanon, Tennessee, and has been in continuous operation except for a brief period during the Civil War. The school was acquired by Samford University in 1961 and has experienced a period of growth and progress that has made it the largest law school in the state and the largest Baptist supported law school in the nation. The law school is housed in the Memory Leake Robinson Hall, a fine facility with plans now underway for extensive expansion. The student body this year consists of more than 600 students coming from almost every state and several foreign countries.

ACCREDITATION

The Cumberland School of Law is fully approved by all national and state accrediting agencies. It is a member of the Association of American Law Schools and is approved by the American Bar Association through its Section on Legal Education and Admissions to the Bar. It is also approved by the Board of Regents of the University of the State of New York. Because all of these certification requirements are met a graduate of Cumberland School of Law is eligible to take the bar examination in any state.

AIMS AND OBJECTIVES OF LAW SCHOOL

The program of the School of Law is twofold. It strives to maintain high standards of legal education and to prepare men and women for the practice of law. The school emphasizes a program of trial advocacy. It also seeks to provide legal training for those planning to enter business or public service. The overall aim is to develop the analytical powers of the student, as well as to provide him with a knowledge of legal principles and their historical development. At the same time, the program is designed to instill in each student a high sense of professional ethics.

The School of Law is an integral part of Samford University. The objectives of the University and the Law School are similar in purpose. The

Law School emphasizes Christian values which are inherent in our legal principles. The Law School is determined to teach the significance of law as a genuine part of the culture of the nation and make each student aware of social responsibility in the context of Christian ethics and in the highest traditions of the legal profession.

The School of Law recognizes the strategic importance of the legal profession which has almost complete control over the judiciary of our states and our nation and largely dominates the legislative and executive branches of our national and state governments. The School seeks to emphasize the American concept of maximum liberty in every phase of life for each individual.

ALUMNI

Graduates of the Cumberland School of Law can be found in nearly every part of the world. Alumni are in all 50 states of the nation, the District of Columbia, the Philippines, the Canal Zone, Puerto Rico, Canada, Cuba, Egypt, Japan, Korea, Mexico and Pakistan. Many of these graduates now occupy distinguished positions of high responsibility in education, government and business. The School of Law has approximately 10,000 alumni of which more than 4,000 are still living. The School has produced at least 10 governors, two United States Supreme Court Justices, a Secretary of State of the United States, ten United States senators, 125 United State representatives, federal district and appellate judges, state appellate justices, state attorneys general, lieutenant governors, United States and state district attorneys, diplomatic officials, college presidents, law professors, distinguished legal writers and scholars, and administrative officials of the United States and state governments. During the 1960s Cumberland ranked second among all law schools in the number of Justices it contributed (11) to State Supreme Courts. Also, a large number of outstanding practitioners, corporate leaders, circuit judges, chancellors, members of state legislatures, county judges, and other county and municipal officials received their legal training at the Cumberland School of Law.

Through the years the school has been regularly staffed with many brilliant legal scholars; distinguished men such as Abraham Caruthers, author of Caruthers' *History of a Lawsuit*; Sam B. Gilreath, revisor of *History of a Lawsuit*; Dr. Andrew C. Martin; Nathan Green, Sr.; Nathan Green, Jr.; Grafton Green; A. B. Neil; and many other outstanding leaders of the profession. The faculty of the Cumberland School of Law today is the largest and academically the strongest in the School's long history.

LOCATION

Samford University—home of the Cumberland School of Law—is located on an attractive 300-acre campus featuring Colonial-Georgian architecture. It has been described as one of the most beautiful in the nation.

Located in the picturesque mountainous area of Shades Valley, the educational facility has unlimited possibilities for continued growth and development.

The University is located in the metropolitan area of Birmingham, Alabama's largest city. Birmingham is the state's industrial, business and cultural center. Many fine recreational facilities are available. The University is easily reached by an excellent system of railways, airlines, and highways. Robinson Hall, the home of the School of Law, is located in the center of the campus, just east of the main library.

ALABAMA LAW INSTITUTE

The Dean and all the full-time Faculty members of the School of Law are members of the Alabama Law Institute, which was established by the Alabama Legislature in 1967 as an official advisory law revision, reform, and research agency of the State of Alabama. Membership in the Institute includes leading lawyers, judges, law professors and officials of the State of Alabama. The Institute is designed to devise and carry out a plan of continuous revision of the Alabama Code, to carry on scholarly discussions of current problems, and to make recommendations to the Legislature concerning needed improvements in the substantive and procedural law of the State.

It is expected that the faculty and students of the Law School will be called upon to assist in the research and drafting of major projects undertaken by the Institute.

CONTINUING LEGAL EDUCATION

The School of Law of Samford University and the School of Law of the University of Alabama cooperate with the Alabama Bar Association in a statewide program of Continuing Legal Education. Seminars attended by members of the practicing bar and bench are held at the Law School.

SAMFORD UNIVERSITY HISTORY

Samford University was founded as Howard College by the Baptists of Alabama and chartered by the State on December 29, 1841. Its doors opened on January 3, 1842, in Marion, Alabama, with nine young men enrolled. Today Samford University is the largest privately supported and fully accredited co-educational institution of higher learning in Alabama.

The first president was Samuel Sterling Sherman, a 26 year old native of Vermont. Under Sherman and succeeding administrations, this young institution grew rapidly, despite two fires, one in 1844 and one in 1854. During the Civil War the College remained open throughout the hostilities,

serving for a time as a hospital for Confederate troops and later as a barracks for Union troops. It also survived the equally trying Reconstruction period.

In the fall of 1887 the College moved from the quiet rural community of Marion to the rapidly growing industrial city of Birmingham, with the campus located in the East Lake section of the city.

The master's degree and courses in pedagogy were offered as early as 1898. A School of Philosophy and Education was organized in 1914, and in the following year a separate Department of Education and the College's first summer school were opened.

In 1920 Howard College had the distinction of being the second institution of higher learning and the first private institution in Alabama to be admitted to membership in the Southern Association of Colleges and Secondary Schools. This was followed in 1927 by the inauguration of a curriculum in pharmacy, which became a four-year degree program in 1934.

Facing the extreme need for more land for campus growth and the almost complete lack of land adjacent to the East Lake campus, in 1947 the Trustees purchased a rolling hillside site for a new 300-acre campus in the Shades Valley (Homewood) area of greater Birmingham and began developing it in 1954.

The move from East Lake to the new campus with seven buildings was completed in time to begin operations at the new site in September, 1957. Development of the new campus has continued at a rapid pace with the nineteenth major building, the Fine Arts Center, scheduled for completion in 1975. Thirteen auxiliary buildings have been added, as well as the 6,000-seat, lighted Seibert Stadium.

With the establishment of the Department of Pharmacy in 1927, Howard College began a process of expanding its curriculum to include courses not usually offered in a liberal arts college. Through the years additional offerings emphasizing the enlarged program of the institution were included in teacher education, business administration, and applied music. The Cumberland School of Law was acquired by Samford in 1961. In early 1965 the master's degree program was reinstituted, and the Division of Graduate Studies was established. As a consequence of these developments, the Alabama Baptist State Convention at its annual meeting in November, 1965, adopted a recommendation from the Board of Trustees that the institution be renamed as Samford University in honor of Mr. Frank P. Samford and his distinguished family. Mr. Samford, the University's most generous individual benefactor, had served as chairman of the Howard College Board of Trustees since 1939 and served Samford University in the same capacity until 1973.

PURPOSE

The purpose of Samford University is to promote the development of Christian character. A sense of personal responsibility coupled with the opportunity and stimulus for each student to secure a broad and academi-

cally sound education in a positive Christian environment is stressed. To this end, a program has been embraced that stresses the direct relationship between Judeo-Christian ethics and morality and legal justice and responsibility. In fulfilling such a purpose, Samford University seeks to develop leaders for widely varied fields of service. It strives constantly for academic excellence in conscious expression of Christian faith with its commitment to truth and honesty, its concern for human values and the interrelationship of faith and reason.

GREEN CHAIR OF LAW

In 1948 the Green Chair of Law was established in connection with the Second Century Program of development of Cumberland University, being operated at this time under the auspices of the Tennessee Baptist Convention. This endowed Chair was named in honor of three men who rendered distinguished service to Cumberland University and to the State of Tennessee. There were Nathan Green; his son, Nathan Green, Jr.; and the latter's son, Grafton Green. Nathan Green and Nathan Green, Jr., were professors in the School of Law. Grafton Green was an alumnus of Cumberland University and took time from his arduous duties as Chief Justice of the Supreme Court of Tennessee to serve as special lecturer in the School of Law.

PLACEMENT OFFICE

Through the Placement Office the School of Law assists third-year law students in securing employment upon graduation. In addition, the School works with first and second year students interested in locating part-time and full-time summer employment. With this in mind, the School extends an invitation to selected law firms, the judiciary, corporate legal departments, government agencies, and other employers interested in obtaining the services of graduating law students. The School is a member of the National Association of Law Placement Directors, the Southeastern Federal Recruiting Council, and the Southern College Placement Association.

Proposed Law School Addition

Facing North, the new addition to the Memory Leake Robinson Hall will be of the same architectural design with hallways connecting it to the original building.

Academic Information

ADMISSION REQUIREMENTS

An applicant for admission to the Cumberland School of Law, as a candidate for the Doctor of Jurisprudence degree, must have earned a bachelor's degree from an accredited college or university with a cumulative grade point average which, when considered with the score on the Law School Admission Test, and other relevant data, indicates a reasonable probability of success in the study of law. Applicants are also required to present evidence of their personal integrity and good character as these factors are imperative in qualifying for membership in the legal profession.

The Faculty Committee on Admissions, in determining the applicant's eligibility for acceptance, places particular emphasis on the applicant's previous academic record and the Law School Admission Test score. Other factors indicating background, leadership qualities, social awareness, and moral character will be considered by the Committee on Admissions before a final decision is made. Admission to the Cumberland School of Law is not based on color, sex, creed or national origin.

PRE-LAW EDUCATION

The School of Law has set no rigid pre-law curriculum requirements for admission. Each person's qualifications will be evaluated individually. Rather than attempting to prescribe the specific contents of the individual courses taken by a pre-law student, the Cumberland School of Law places greater emphasis on the student's ability to read and comprehend accurately, to speak and write clearly, to think precisely, to logically analyze complex fact situations, and to weigh and appraise legal and other materials. It is suggested that the pre-legal program of study include English composition and literature, economics, history, political science, philosophy, psychology and other subjects in the field of social sciences, as well as courses in the natural sciences, mathematics and accounting. It is believed that these courses will academically prepare the prospective law student.

For additional information, see the current *Pre-law Handbook*, published in October and prepared by the Law School Admission Test Council

and the Association of American Law Schools. This book includes material on the law and lawyers, pre-law preparation, information on applying to law schools, and the study of law, together with data on most American law schools. It may be obtained at college bookstores or ordered from Educational Testing Service, Box 944, Princeton, New Jersey 08540.

APPLICATION PROCEDURE

1. The applicant must complete and return the form, "Application for Admission" to the Cumberland School of Law of Samford University and meet all requirements noted in this form. Each application form and official letter of acceptance are valid only for the specific semester or term for which admission is sought. The School of Law is currently admitting beginning students only in the Fall Semester. Applications for the fall class should not be filed prior to October, approximately ten months before the time the applicant desires to enter. While early admission decisions may be made regarding those applicants with unusually high LSAT scores and undergraduate grade point averages, the Law Faculty Committee on Admissions may not make a final decision regarding the admission of applicants until April preceding the Fall Semester in which admission is sought. The applicant has the responsibility of ascertaining that all his credentials have been received by the Law School and that his file is complete. Each applicant's file should be complete prior to April 1, to be assured that his application will be among those to be considered for admission to the following Fall Semester.

2. Application for admission to the Law School must be accompanied by a non-refundable fee of \$25.00. No application will be considered unless accompanied by this fee which covers the cost of processing the application.

3. The applicant must take the Law School Admission Test administered by the Educational Testing Service and arrange to have the Educational Testing Service send directly to the School of Law the results of this test. The LSAT is usually scheduled to be given in the months of October, December, February, April, and July. The applicant is urged to arrange to take this test on a date which will provide ample time for the results to reach the Law School Admission Office prior to April 1 preceding the Fall Semester for which the applicant is seeking admission. Information concerning this test may be obtained by contacting LAW SCHOOL ADMISSION TEST, EDUCATIONAL TESTING SERVICE, Box 944, PRINCETON, NEW JERSEY 08540.

4. The applicant is required to register with the Law School Data Assembly Service (LSDAS) by completing and mailing the registration form supplied with each Law School Admission Test blank. A transcript from each college or university attended should then be sent not to the law school but directly to the Educational Testing Service at its address noted in item 3. The LSDAS will summarize the transcript and send a report to

this law school. *If you are accepted you will be required to submit a final transcript, showing completion of the requirements for the bachelor's degree, directly to this Law School.*

5. Each applicant is required to have a letter of recommendation mailed directly to the Chairman of the Law School Faculty Committee on Admissions from the Faculty Advisor (or instructor in the applicant's major field of study) at the College or University where the applicant received the undergraduate baccalaureate degree; or if the applicant has been employed or has been in the military service for several years following graduation from his College or University, he may request this letter of recommendation from his employer or commanding officer. Also, an applicant must have submitted a character reference from a clergyman or other member of the community where the applicant resides, who has personal knowledge of the applicant's personal integrity and character.

6. Each applicant accepted for admission to the School of Law must forward an acceptance deposit in the amount of \$100.00 in order to reserve his position in the entering class. Failure to remit this deposit within thirty days of the date of the letter of acceptance shall result in a revocation of the applicant's acceptance for admission. This deposit is not refundable but is credited to the applicant's tuition. Upon acceptance two photographs, approximately 2½" x 3", should accompany acceptance deposit.

7. The Committee on Admissions will weigh carefully all factors involving the applicant's qualifications; however, those applicants with exceptionally good undergraduate grade point averages and Law School Admission Test scores will be given preference. The School of Law reserves the right to alter or amend the requirements for admission in any manner which the Dean and the Faculty deem necessary and proper for the fulfillment of the objectives of the School of Law. Requests for additional information regarding admission should be directed to the Cumberland School of Law of Samford University, Birmingham, Alabama 35209.

TRANSFER STUDENTS

It has been the experience of the Cumberland School of Law that students transferring to this law school after beginning their study of the law elsewhere encounter significant problems of scheduling and curriculum, with resultant difficulty both for the student and for the School. Therefore, the School of Law does not encourage transfer students to seek admission. In exceptional circumstances, admission may be granted to students who have been in attendance at another nationally accredited law school. The prospective transfer student must complete and return the form, "application for admission" to the Admissions Office of the Cumberland School of Law and fulfill all requirements noted in this form. A letter from the Dean of the Law School previously attended stating that the student is eligible to continue in good standing and is not under any academic or disciplinary proba-

tion, plus an official transcript of all law school work completed must be received before the Committee on Admissions can give consideration to the request for admission. Any student expecting favorable consideration on a transfer basis should have a cumulative grade point average of no less than C+ (1.5 on a 3.0 scale) in his previous law school work.

REQUEST FOR RECONSIDERATION

Those applicants who seek and do not obtain admission to Cumberland during the year requested but wish to have their application reconsidered for the next class to be admitted should send a letter to the Dean of Admissions asking for such reconsideration along with a fee of \$10.00 to cover the expense of reactivating the applicant's file. Such request must be received by the Dean of Admissions after October 1st and before April 1st of the year preceeding the desired admission.

PROGRAM OF STUDY — COURSE LOAD

A student is expected to take a full course load as prescribed by the faculty each academic semester. In special situations, after consultation with the Chairman of the Law School Faculty Committee on Admissions and the approval of the Dean, a limited number of applicants may be admitted to classes on an Extended Program of Study for a course load of less than 12 semester hours for each academic semester but in any case, no less than eight semester hours per each semester.

REQUIREMENTS FOR THE DEGREE OF DOCTOR OF JURISPRUDENCE (J.D.)

Students who have completed eighty-eight semester hours of acceptable credit with a minimum grade point average of 1.0 (which is equivalent to an average grade of "C") and who have acquired six semesters of prescribed residence credit will, upon the recommendation of the faculty of the School of Law, be granted the Doctor of Jurisprudence degree. In order to obtain residence credit for graduation and to comply with the minimum requirements of the standards of the American Bar Association and the Association of American Law Schools, a student must carry a course load of no less than ten semester hours for each and every semester, for a total of six semesters. A summer term schedule of no less than 5 semester hours is equivalent to one-half semester residence requirement. All students, however, are expected to complete a total of 88 semester hours and all other requirements for their degree within three calendar years.

A student who may (under certain circumstances) be granted permission to enroll for less than a full course load, will not be permitted to increase

his course load; nor will a student enrolled for the minimum full course load be granted permission to decrease his course load except by permission of the Dean and/or appropriate Faculty Committee and evidenced by the student's written statement, which statement shall be placed in the student's permanent record file.

HONORS

Candidates for the J.D. degree who, on the basis of their three-year's record in law school, are scholastically ranked in the top ten per cent of their graduating class may, upon recommendation of the faculty, be awarded degrees *cum laude*, *magna cum laude*, or *summa cum laude*. Students who have been admitted with advanced standing from other law schools must have maintained an over-all average grade of B on all transfer credit and have satisfactorily completed sixty semester hours of course work in the Cumberland School of Law in order to be eligible for honors.

COMBINATION OF J.D. AND M.B.A. OR M.A. PROGRAMS

A limited number of credit hours acceptable as part of the course load for the Master of Business Administration degree or for the Master of Arts degree in history and political science may be earned in the Law School. The Law School and Graduate School of Samford University have a program designed to enable a student to use the summer terms following his first and second years in law school in meeting the requirements for both degrees. This will enable a student to graduate with his class and earn both the M.B.A. and J.D. degrees; or the M.A. degree in history and political science and the J.D. degree in the time ordinarily required for the J.D. degree alone.

CHANGES OF SCHEDULES

All changes in schedules must be authorized by the office of the Assistant Dean or by the Academic Standards Committee.

OUTSIDE EMPLOYMENT

Students enrolled in a full course load are expected to devote substantially all their time to the study of law. First year students are required to forego any outside employment until they have had an opportunity to measure the demands upon their time to adequately prepare their course work. After the first year certain forms of employment can be an experience of value and can benefit those students who need financial assistance in order to secure their education. More than 20 hours per week of outside

employment for any student who is enrolled for a full course load will be considered as excessive. All students may be required to give evidence to the extent of outside employment. /

WITHDRAWALS

1. Any student who wishes to withdraw from any course after registration must have the written permission of the professor and must complete the University procedure for dropping a course.

2. If a student who is doing satisfactory work drops a course, WP (withdrawn) will be entered on his record. This carries no academic penalty.

3. If a student who is doing unsatisfactory work in a course drops it, WF (withdrawn failing) will be entered on his record and will carry a penalty as if it were an F.

4. If a student drops out of school or drops a course without notifying the Dean in writing, XF, will be entered on his record with the same penalty as F.

5. The date of the course drop will be the date the official drop card properly signed by the appropriate officials is returned to the office of the Dean.

DISCONTINUANCE OF STUDY IN THE SCHOOL OF LAW

After an applicant has been accepted and enrolled as a law student in the School of Law, he is expected to remain in continuous attendance for each subsequent academic semester until he fulfills all requirements for his law degree unless requested to withdraw because of academic deficiency or the violation of a rule or regulation of the Law School or University. Attendance during the summer terms is optional and therefore inapplicable to the above noted regulation.

A student who voluntarily discontinues study in the Law School or fails to complete any course in which he has been enrolled at any time prior to completion of the work required for the degree (with the exception of the summer terms with the qualification noted in the above paragraph) must make a written request to the Dean for permission to withdraw, indicating the reasons therefor. Failure to make such written request to discontinue the study of law shall be deemed a withdrawal with prejudice. A withdrawal with prejudice shall be noted on the student's permanent record and the student will be ineligible for re-admission to the Law School at a later date.

Any student who with permission discontinues his study of law for any reason after his initial enrollment and prior to completion of his degree and is re-admitted will be bound by all regulations and requirements in effect at the time of his re-admission and such additional requirements as may be prescribed by the Faculty Committee on Academic Standards.

REGISTRATION WITH THE STATE BAR COMMISSIONS

The State Bar Commission of Alabama requires that every person entering a law school with the intention of thereafter applying to the Alabama Bar must file a written notice of his or her intention to begin the study of law and thereafter apply for admission to the Alabama Bar with the Secretary of the Board of Commissioners of the Alabama State Bar.

The application forms used for registration with the State Bar Commission together with forms used for character affidavits and a sheet of instructions may be obtained by writing directly to Secretary, Alabama State Bar, P. O. Box 2106, Montgomery, Alabama, or may be received in the Dean's Office at Cumberland after registration as a Cumberland student. Forms used for Tennessee registration may be obtained directly from the Dean of the Cumberland School of Law after registration as a Cumberland student. Forms for Florida may be obtained from Executive Director, Florida Board of Bar Examiners, Supreme Court Building, Tallahassee, Florida or may be received in the Dean's Office at Cumberland after registration as a Cumberland student.

Students who expect to practice law in states other than Alabama, Tennessee, or Florida should investigate similar requirements in such states and meet all requirements of such states.

POLICY ON CREDIT FROM OTHER LAW SCHOOLS AS A TRANSIENT STUDENT

In order to permit students at the Cumberland School of Law of Samford University to participate in other innovative summer programs around the nation, students with adequate proven scholastic ability will be approved as transient students to attend programs sponsored by other American law schools which are members of the Association of American Law Schools. These programs include study in England, Belgium, France, Israel, Mexico and other countries sponsored by several American law schools. They also include clinical programs, urban studies programs, and similar programs sponsored by other law schools.

In order to receive credit for these programs, the American law school sponsoring such program must grant credit toward its own first professional degree for the specific course undertaken by the student. Except with special permission, the subjects taken must be used in lieu of electives at the Cumberland School of Law. A transcript must be furnished by the sponsoring American law school indicating the course, grade, and credit.

Under special circumstances, a student from out of state will be permitted to take specific courses of particular importance within his state as a transient student in a member school within his state, which credit will be acceptable toward his degree at the Cumberland School of Law.

Academic Regulations

The Grading System:

Students are graded in their academic achievements according to a system of letter grades with quality points assigned as noted below:

A — 3.0

B+ — 2.5

B — 2.0

C+ — 1.5

C — 1.0

D+ — 0.5

D — 0.0

F — 0.0

I — Incomplete

WP — Withdrawn

WF — Withdrawal Failing

P — Pass

Report of Grades:

Generally the report of a student's grades for each semester is sent to the student personally.

Attendance in Class:

Regularity and punctuality in class attendance are required. No student may take an examination or receive credit in a course if he has been absent in the course in excess of 20 per cent of the class periods. The Dean and the faculty will consider requests for permission to be absent because of emergency conditions. Absence from classes is a factor which may be taken into consideration in determining final grades.

Academic Standards:

Rules of the Committee on Academic Standards governing probation and dismissal of students with academic deficiencies are as follows:

All students in the Cumberland School of Law of Samford University are required to maintain an overall cumulative grade point average of "C"

(1.0 on a 3 point scale). However, a beginning student may be permitted two academic semesters to attain an overall cumulative grade point average of 1.0 unless his first academic semester's overall cumulative grade point average is less than 0.5, in which case he will be dismissed for academic deficiency at the termination of his first academic semester. Any student who has a grade point average of 0.5 or better at the end of his first semester and who does not have an overall cumulative grade point average of 1.0 at the end of his second semester will be dismissed for academic deficiency at the termination of his second semester and will remain ineligible for re-admission without approval of the Academic Standards Committee.

After satisfactory completion of the first two academic semesters, any student who thereafter fails to maintain an overall cumulative grade point average of 1.0 will automatically, without written notice, be placed on probation and may be permitted to continue attendance for the next succeeding academic semester or summer term on a probationary status after which his overall cumulative grade point average must be no less than 1.0 or he will be dismissed and will remain ineligible for re-admission. Any student who is uncertain about his status may request information from the Academic Standards Committee.*

HONOR CODE

Cumberland students adopted an honor code in the 1974-1975 school term. The Code places each student on his/her honor in the following areas of academic affairs:

1. Cheating. Work submitted for grade, upon completion of the studying process, must be the result of one's individual efforts.
2. Stealing. The Code prohibits the stealing or willful destruction of any institutional or personal property while a student at Cumberland School of Law.
3. Lying. It is an offense under the Code for any student to knowingly issue a false oral or written statement pertaining to any academic matter while a student at the Cumberland School of Law.

Twelve justices are elected at large by the student body, and these, in turn, select a chief justice from among themselves. In the event that a trial becomes necessary the honor court conducts both the investigation and the trial. Much careful planning has gone into the goal of preserving maximum due process protections. Trials are kept totally secret and all documents and evidence are destroyed upon acquittal. If convicted, the defendant may request destruction of the documents after graduation. The court makes recommendations for discipline to the Dean if a defendant is found guilty.

*Receipt of official grade report from the University Registrar's Office indicating grades for specific courses and overall cumulative grade point average shall constitute official written notice to the student of his academic status.

Tuition and Fees

TUITION

The basic cost for the law student is \$59.00* per semester hour, not including variable expenses such as books, supplies, and special charges for late registration, change of schedule, etc. All student charges are payable at the beginning of the semester.

After completion of the registration procedure, an invoice will be sent to the person indicated by the student on his registration forms. The invoice will reflect any previous credits to the student's account (or any unpaid balances). The amount shown on the invoice must be paid by the date designated on the invoice. Payment after the due date will incur a \$10.00 penalty.

Students who wish to arrange a deferred payment plan are referred to any one of the several lending and trust agencies which cooperate with the University in this connection. It should be noted that it is the sole responsibility of the student and/or his parents to make deferred payment arrangements in advance of registration.

Refunds:

No reduction in tuition charges will be allowed for any course dropped after two weeks from the first day of registration. In order to be eligible for any reduction in charges or refunds for withdrawal or suspension from the University, the student must present to the Registrar an official withdrawal form, dated and signed by the Dean of the Law School. If a student withdraws or is suspended, he will be required to pay the University the following percentage of all tuition and fees applying to that semester (the first day of registration will be considered the first day of school):

*Every possible effort is made by the University to avoid tuition increases; however, the University must reserve the right to change tuition at its discretion. Such changes are considered by the Board of Trustees at the annual May meeting. Since the catalog for the following school year is published prior to this meeting, it is impossible to have the final tuition figure for inclusion in the catalog.

1. Withdrawal or suspension before classes begin—10% of all tuition and fees applying to that semester (in no case less than the application deposit)
2. Within two weeks after the beginning of the semester—20% of all tuition and fees applying to that semester (not less than \$50.00)
3. After two weeks, but prior to six weeks—50%
4. Six weeks and thereafter—100%
5. Refunds for a summer term will be adjusted in a comparable manner, but based upon a fewer number of weeks in attendance. No refunds will be made after three weeks.

FEES FOR DROPS AND ADDS

Drops and adds are changes in a schedule that do not involve complete withdrawal from school. During the first two weeks of the term, the following rules apply:

1. If a student changes his schedule but does not reduce the total number of hours for which he originally registered, he will pay a \$3 change of schedule fee plus the applicable tuition and fees on any hours added.
2. If a schedule change results in a reduction of the student's total hours, tuition and fees will be adjusted, but a charge of \$7 will be made for each hour by which the original total is reduced. For example:

Drop 3 hours and add 2 — charge \$ 7.00

Drop 3 hours and add 1 — charge 14.00

Drop 3 hours and add 0 — charge 21.00

3. Courses may not be added after the first two weeks of the term. If a course is dropped after the first two weeks of the term, no reduction in charges will be made.
4. Each change in schedule is considered a separate transaction and previous transactions will have no bearing on the calculation of charges.
5. All charges for drops and adds *must* be paid in the Student Accounts Office in cash before the transaction can be completed. None of these fees can be added to the student's invoice.
Please note that it will benefit the student to register only for the number of hours he is sure he can take. It will be less expensive to add hours than to drop hours.

REFUNDS

(Summer Sessions)

The summer session refund policy for withdrawal, drops and adds, or suspension is as follows:

1. Before classes begin—the student will be required to pay the University 10% of all tuition and fees.

2. Within the first week—the student will be required to pay the University 20% of all tuition and fees.
3. After the first week, but before the end of the second week, the student will be required to pay the University 50% of all tuition and fees.
4. If a student withdraws from a summer term after the second week, he will be required to pay all charges for tuition and fees for the entire term.

On-Campus Housing:

For students preferring to live on campus, Samford provides six residence halls containing single, double, and triple rooms, some with private baths,

Student Bar Association, Number One in the Nation, Four of the Last Six Years.

Student Activities

STUDENT BAR ASSOCIATION

The Student Bar Association, commonly referred to as the SBA, is the foundation of student organization at the law school and functions as the first professional association of a law student's legal career. The SBA is comprised of officers elected by the student body. These elected officers, known as the Executive Council, serve as the student's representatives with the Dean and faculty. As a student service organization, the Cumberland SBA coordinates and funds many of the student activities throughout the year. Besides sponsoring various law school activities and social events, the Student Bar Association is involved in many public projects such as voluntary defenders and penal reform programs in an effort to help provide meaningful legal assistance and services to the community. Moreover, the SBA is very active in the Law Student Division of the American Bar Association. Recently the Cumberland Student Bar Association was selected as the Most Outstanding Student Bar Association in the entire nation. This prestigious award makes the fourth time that our SBA has been cited in the last six years. In addition, the SBA Speakers Program, known as the Forum, was chosen as the Most Outstanding Student Bar Association Project in the United States. The First Year Orientation Program, Registration and Law Day Programs also received national citations and currently are being used as model programs by other law schools. The Cumberland Student Bar Association is continually seeking to foster the growth of professional responsibility.

CUMBERLAND-SAMFORD LAW REVIEW

The Cumberland-Samford Law Review is published three times annually by a board of student editors assisted by faculty advisors. The Review is composed of articles on a broad range of topics, with some emphasis on Alabama Law. Approximately half of each publication is written by students, and the remainder written by members of the bar, law school professors, and other specialists in various fields. Because of the

rigorous intellectual demands which law review imposes upon the members of the Review, only those students with superior scholastic records are selected for staff membership. Members of the Editorial Board are selected on the basis of scholarship and past performance in law review work. Law review membership is a high academic honor and law review experience is considered ideal training for the practice of law. Three credits for graduation may be awarded for work satisfactory to the Editorial Board and Faculty Advisors.

CUMBERLAND-SAMFORD RESEARCH BOARD

The Research Board was established to help law students achieve excellence in legal writing and research. This is accomplished by student participation in two areas. First, under the direction of the Faculty Advisor, Board members serve as instructors in weekly Legal Bibliography laboratory sessions to help students develop skills in the use of legal research tools. Second, the Research Board provides a research service for members of the practicing Bar, thus giving Board members experience in researching and writing legal memorandum on current legal problems. Members of the Research Board are selected on the basis of scholarship and interest in legal writing. Credit for graduation may be awarded for work satisfactory to the Board of Directors and Faculty Advisor.

CUMBERLAND LAWYER

The Cumberland Lawyer is published semi-annually by a board of student editors assisted by faculty advisors. This publication is designed to serve as a public relations magazine. It is to inform alumni, members of the Alabama Bar and Bench, friends of the School, and students of Law School activities with particular emphasis placed on areas which illustrate the traditions of the Law School and are of special interest to alumni.

PRO CONFESSO

The Pro Confesso, which is the official student newspaper of the law school, was created in 1970 by the Student Bar Association, and approved by the Publication Board of the University. It is an intra-school forum for news and for the exchange of ideas and views by and between faculty and students. Membership is open to all students; articles may be submitted at any time. The publication is free to all Cumberland students. The staff consists of an Editor and an editorial board with the Dean of the Law School as Advisor.

NATIONAL MOOT COURT COMPETITION

The Young Lawyers Committee of the Association of the Bar of the City of New York annually sponsors a National Appellate Moot Court Competition. Each year students representing the Cumberland School of Law compete in this event. The regional competition is conducted each year at a school in the southeastern region during the month of November, and the final rounds are held in New York City in December. Awards are presented to the regional winners for best argument and best brief and likewise for the national winners. Those students of the Cumberland School of Law who participate have their names inscribed on a plaque which is displayed in the Law School building. Cumberland captured the regional championship in 1974, going undefeated for the event.

SPEAKERS PROGRAM

Each year the Student Bar Association sponsors a program of guest speakers intended to expand the law student's educational opportunities and his legal awareness. The Speakers Forum, as the program is now called, attracts nationally known figures who are noted for their work in such fields as education, the media, politics, and the law.

These programs are of great interest to the legal community, and especially to the student, for they provide a means by which the aspiring lawyer may expand his knowledge beyond the more limited borders of his classroom studies. Student participation in the selection of speakers is encouraged, and is necessary if the program is to maintain its present level of relevancy. Since the Forum's establishment, it has been cited for an award every year by the American Bar Association. It is required that every law student attend a majority of the Forum programs. The Speakers Forum won the national award for *Most Outstanding Student Bar Association Project* for 1973-74.

NATIONAL LEGAL WRITING CONTESTS

In addition to the above prizes and awards, there are many national legal writing contests available to the law student. The law student is urged to participate in any of these contests which may appeal to his particular interest.

MOOT COURT BOARD

The Moot Court Board was organized in 1970 to further appellate advocacy at Cumberland. This objective is achieved through course instruction, brief writing, oral argument competitions, and other general appellate activities. Membership on the Board is a high honor and is awarded only

to those students who have exhibited ability and interest in appellate advocacy. The Board is supervised by a faculty advisor, a student elected Chief Justice, and three student Justices. Members of the Board may receive two academic credits toward graduation for work completed as Board members. The Board supervises student instruction in appellate advocacy in two elective courses, Appellate Advocacy I and II. Students in Appellate Advocacy II compete for the honor of arguing before the Alabama Supreme Court, or other noted members of the judiciary, as a final part of the course program. The Board also actively participates in the National and International Moot Court Competitions. Cumberland's teams have consistently won national and regional honors in both competitions.

THE ORDER OF THE BARRISTER

The Order of the Barrister is a National Honorary Society formed for the purpose of recognizing distinguished achievements in the field of appellate advocacy demonstrated by students particularly in National and International Moot Court Competition and for the purpose of exchanging information by member schools regarding Moot Court operation. As a member of this association, Cumberland may each year nominate five individuals to receive the Order of Barrister Award.

INTERNATIONAL LAW SOCIETY

The International Law Society seeks to promote a better understanding of the legal aspects of international problems through the presentation of programs and speakers with an emphasis in international relations. Each spring five members of the society are selected to represent the society in the International Law Society Moot Court competition. The competition is designed to select a regional winner, and the regional winners compete for the world title at the annual convention. The competition is based on a hypothetical case written by a leading scholar. Past competition cases have concerned deep ocean mining rights, space law, fishing rights, international trade and human rights, recognition of states, and aircraft hijacking. Presently more than one hundred law schools in the United States, Canada, Argentina, Peru, Ethiopia, Liberia, Nigeria, Zambia, India, Singapore, The Netherlands, and the United Kingdom participate. In recent years Cumberland's Cordell Hull Chapter has elected the President and Treasurer of the Association of Student International Law Societies. Membership is open to all students.

ENVIRONMENTAL LAW SOCIETY

The Cumberland Environmental Law Society is a member of the National Environmental Law Society, a law student organization. There

are currently about forty law schools throughout the nation with such chapters. The Society offers assistance to legislators, private groups and others involved in combating environmental pollution and who are engaged in biospheric protection. Students are available for speaking engagements and lectures. Members cooperate with the President's Council on Environmental Quality.

CURIA HONORIS

One of the most coveted honors a law student may seek is membership in *Curia Honoris*, an honorary society composed of Cumberland graduates who, while students, combined academic excellence with service to the Law School.

The Constitution of the society sets forth the following requirements for membership:

- (1) Graduating within the upper 10% of one's graduating class.
- (2) A cumulative grade point average of 2.00 (B) or above.
- (3) Significant contribution to the Law School through participation in extra-curricular affairs.

New members of the society are inducted during Law Day ceremonies each year.

LEGAL FRATERNITIES

Delta Theta Phi Law Fraternity

The Delta Theta Phi Law Fraternity, founded in the year 1800, is one of the three leading professional law fraternities in the world. Its members consider it to be the best legal fraternity, and are intensely and justifiably proud of their fraternal contacts and associations. Its membership numbers close to 60,000 and includes many distinguished men in high places in business, in government, in international affairs, on the Bench and of the Bar. There are 83 student senates and 65 alumni senates in the United States.

The Grafton Green Senate was founded in the 1950's at Cumberland School of Law's former campus in Lebanon, Tennessee. The Senate is named after Tennessee's most famous Supreme Court justice. The Senate is involved in all activities of Cumberland; the Student Bar Association, Law Review and many others. For its outstanding work in these and many related areas of law work, the National Fraternity designated Grafton Green Senate the Most Outstanding Chapter in the Nation in 1973.

Phi Alpha Delta

The first chapter of Phi Alpha Delta was founded in 1902 in Chicago. Since then, Phi Alpha Delta has grown to become the world's largest legal fraternity with approximately 137 active chapters at law schools all over the globe.

The purpose of Phi Alpha Delta is to form a strong bond uniting students and teachers of the law with members of the Bench and Bar in a fraternal fellowship designed to advance ideals of liberty and equal justice under the law. The fraternity also seeks to inspire the virtues of compassion and courage, to foster integrity as professional competence, to promote the welfare of its members and to encourage their moral, intellectual, and cultural advancement so that each member may enjoy a life-time of honorable professional and public service.

In keeping with Phi Alpha Delta's tradition of excellence, in 1969 the Cordell Hull Chapter of Phi Alpha Delta of Cumberland was selected as the Number 1 chapter in the United States. More recently the Cordell Hull Chapter was selected as the *Most Outstanding Chapter* in District XIII.

Phi Delta Phi

Memory Leake Robinson Inn of Phi Delta Phi Legal Fraternity was established at Cumberland Law School in 1965. Since its inception, Phi Delta Phi has experienced continued growth until now it is the largest legal fraternity on the Cumberland campus.

Phi Delta Phi was established in 1869 at the University of Michigan in order to promote a higher standard of scholarship, professional ethics, and culture among the law schools and in the profession at large. It was the first professional fraternity of any kind. Robinson Inn has strived to maintain this noble tradition by accepting into membership only those students who strive to maintain this high level of identification with excellence set out by the founders. At the culmination of each academic year, Robinson Inn confers upon those individuals who have best exemplified these high standards two awards for excellence: these are the best Senior Law Student and the Graduate of the Year.

Social and athletic activities have not been ignored however. Phi Delta Phi also strives to bring men and women together in relationships of lifelong friendship which equal or exceed that which was established in the undergraduate social fraternity.

Dames Club

The Dames Club is a vital, energetic social and service organization, composed of wives of the faculty and students of the school of law. The purpose of the club is to promote friendship among its members and to serve the school and community by working closely with the Student Bar Association. With the organization of various interest groups, the club attempts to provide a relaxed atmosphere of congeniality for its members during their years at Cumberland School of Law.

Christian Legal Society

The Christian Legal Society is composed of law students, law faculty and practicing attorneys. While this organization was founded for Christian fellowship among those in the legal field, its primary goal is to study the

effect that one's Christian beliefs should have upon his practice of law. The Society regularly sponsors speeches and seminars by imminent Christian judges and practitioners.

Florida Student Bar Section

The Justice Glenn Terrell Chapter of The Florida Bar—Law Student Section was established at Cumberland in 1974 to provide students who are planning to practice law in Florida a means of communication and information among themselves. Named for Justice Glenn Terrell, a Cumberland alumnus and member of the Florida Supreme Court for 41 years, the chapter is the only such organization outside the state recognized by the Board of Governors of the Florida Bar. Projects have included a real property workshop, a book fund for the purchase of Florida materials for the library, and the creation of the Justice Glenn Terrell Scholarship. The Section also seeks to keep its members advised of procedures for registering with the Florida Board of Bar Examiners as well as current developments in Florida law.

Justice Glenn Terrell Portrait

Admiring the portrait of the late Justice Glenn Terrell presented to Cumberland Law School are Mrs. Terrell and LeRoy Collins, Cumberland alumnus and former Governor of Florida.
